Poker Settings X

Poker Table Defaults

Poker tables will have these settings by default.

- | | |
|--|--|
| <input checked="" type="checkbox"/> Auto Muck | <input checked="" type="checkbox"/> Auto timebank |
| <input checked="" type="checkbox"/> Auto Post Blinds | <input checked="" type="checkbox"/> Never Deal It Twice |
| <input checked="" type="checkbox"/> Wait for Big Blind | <input checked="" type="checkbox"/> Bring active game to front |

Changing these settings may require re-opening your poker table(s) to take effect.

Betting Button Settings
