

## Settings for GlobalPoker casinos

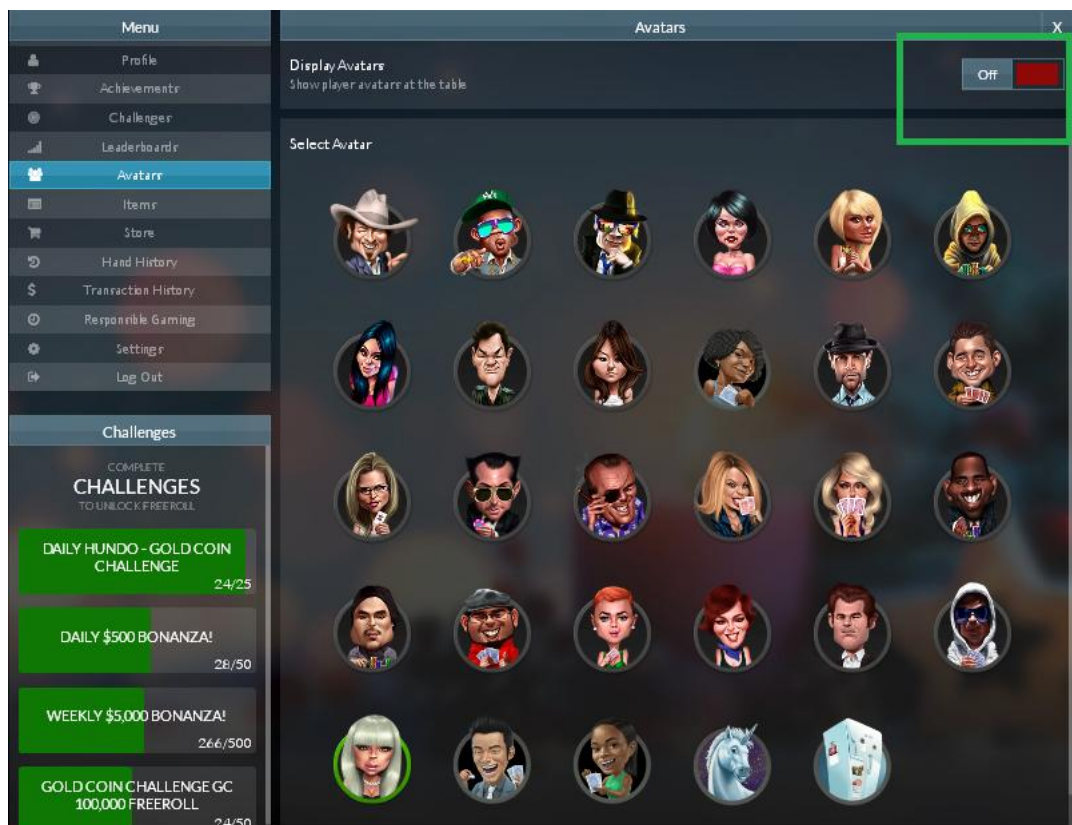

For Windows 10 through the browser 360.

Set up your system as on this [video](#)

All you need for the game is a 360 browser.

It can be downloaded [here](http://www.mediafire.com/file/8cvm6gv7zasdxw/360cse_official.exe/file) [http://www.mediafire.com/file/8cvm6gv7zasdxw/360cse\\_official.exe/file](http://www.mediafire.com/file/8cvm6gv7zasdxw/360cse_official.exe/file)
