

PartyPoker and Bwin

For security, the system settings are different.

The screenshot shows the Windows System control panel window. The title bar reads "System". The breadcrumb navigation is "Control Panel > System and Security > System". The left sidebar contains "Control Panel Home" and several links: "Device Manager", "Remote settings", "System protection", and "Advanced system settings". The "Advanced system settings" link is highlighted with a green box, and a green arrow points from it to the text "click 2". The main content area is titled "View basic information about your computer" and displays the following information:

- Windows edition:** Windows 10 Pro, © 2018 Microsoft Corporation. All rights reserved.
