The image shows a Windows desktop environment with two windows open. The background window is the Control Panel, specifically the 'System' section. The 'Advanced system settings' link is highlighted with a black arrow and the number '1'. The foreground window is the 'Performance Options' dialog box, with the 'Advanced' tab selected. The 'Adjust for best performance' radio button is selected and highlighted with a black arrow and the number '3'. The 'System Properties' window is also open, with the 'Advanced' tab selected. The 'Performance' section is highlighted with a black arrow and the number '2'. The 'System Properties' window also shows the 'User Profiles' and 'Startup and Recovery' sections. The 'Change product key' link is visible at the bottom right of the 'System Properties' window.
