4. Configure the casino settings.

A screenshot of the 888 poker website homepage. The browser window shows the URL "https://www.888poker.com". The website features a navigation menu with "Download", "How to Play", "Deposit & Cashout", "Special Offers", "Tournaments", and "eMagazine". The main banner displays a group of people at a poker table, with a large "\$10 FREE" offer for first deposits. The offer details are: "Deposit \$10 or more with promo code: **TOPLUS** & Get a \$10 instant bonus". A yellow "DOWNLOAD NOW" button is present, with a green box highlighting the "Instant Play" link below it. At the bottom, a progress bar shows three steps: "1 Download Now", "2 Create Your Account", and "3 Get Your Bonus".
